me: sup g
me: http://emptywheel.firedoglake.com/2011/02/10/will-the-chamber-continue-wits-hbgary-work-now-that-theyve-been-hacked/
BushwickBK.com: nice
BushwickBK.com: is there a safe way to donate to operations?
BushwickBK.com: I think gitmo wouldn't agree with me
BushwickBK.com: oh and
BushwickBK.com: in other similar news
BushwickBK.com: are there any anonymous ppl that need free housing in Michigan?
BushwickBK.com: turns out I'm a slumlord there and the last of my tenants moved out
me: possible
me: lol
me: oh, you
me: I'll pass word along to anyone who might need to go underground
BushwickBK.com: and they're in Flint
BushwickBK.com: ok let me know
BushwickBK.com: they can pick up keys at my mgmt co
BushwickBK.com: the govt there is a disaster
BushwickBK.com: anyway, past is past
BushwickBK.com: now I want to get a bunch of anarchists in there to raise hell
BushwickBK.com: unrentale and unsellable
BushwickBK.com: so, might as well give it away
BushwickBK.com: anyway put word out
me: good idea
me: I bet I can fill it
me: with black bloc folks
me: lolololol
BushwickBK.com: thewy'd have to pay for ultis obv
me: scare away the negroes
BushwickBK.com: but -- YES
BushwickBK.com: well whatever
BushwickBK.com: I want them to cost the city a lot of money
BushwickBK.com: in cops and such
BushwickBK.com: I own them for 3 more years until they seize it for tax arrears
BushwickBK.com: fucking egypts
BushwickBK.com: "we love and trust our army"
BushwickBK.com: morons, that's why you are where you are

me: yep
me: army better come through
me: saw your tweet
me: lol
BushwickBK.com: worked for a bit for the somalis
BushwickBK.com: took 17 years of UN meddling to get even the lamest govt in
BushwickBK.com: physically burning down a govt is a big symbolic move
BushwickBK.com: that changes perceptions
me: I agree
BushwickBK.com: the same logic that makes govts build scary, imposing edifices
BushwickBK.com: is the same logic that requires burning them down
BushwickBK.com: preferably with everyone inside
BushwickBK.com: but I'm not picky
me: yeah. and that's part of the reason behind hijacking their websites
me: shows people that there's a new player in town
BushwickBK.com: yeah
me: one that can't be corrupted or bombed
BushwickBK.com: do you have a gues sof how many anons there are?
BushwickBK.com: even a remote idea
me: depends on your definition
me: those who have done anything at all for Anon, including DDOS and protests
me: couple hundred thousand
me: those who support or identify with Anon
me: millions, now
me: impossible to know
me: but I've been involved and watching for six years
BushwickBK.com: yeah the active ones
BushwickBK.com: that's a good num ber
BushwickBK.com: you know of Chase Madar?
me: nope
BushwickBK.com: writes for AmCon and COunterpunch and such, is a lawyer, wrote a lng piece for Tom Engelhardt today in defense of Brad Manning
BushwickBK.com: anyway he used to work for Make the Road by Walking
BushwickBK.com: now we're more in contact over antiwar stuff
BushwickBK.com: just funny how my two world collide pretty often
me: just told Pam Geller she'll be targeted
me: for supporting Mubarak
BushwickBK.com: ugh, for everything she supports
BushwickBK.com: fucking psycho
BushwickBK.com: she's everything wrong with bitches AND neocons rolled into one
me: yep
BushwickBK.com: take her down

me: http://www.chasingevil.org/2010/10/pamela-geller-calls-for-auxiliary-law.html
BushwickBK.com: you can't get in trouble for being this vocal and forward?
me: she's friends with Jon Bolton
me: and all the warcons jack off to her every night
me: threesome with Malkin
BushwickBK.com: that's the only hot part
BushwickBK.com: I sent to Justin, he loooves Geller
BushwickBK.com: as fodder
BushwickBK.com: where did the shrieking harpy thing come from
BushwickBK.com: Justin uses it in his columns too
me: not sure
me: I prefer to call her "target"
BushwickBK.com: [19:55] Justin Raimondo: I say tie her up and make her wear a burqa
[19:55] Justin Raimondo: head to toe. she looks like a very ugly puerto rican drag queen
me: I'm not touching the skank
me: wanna watch the Guardian get trolled?
me: [19:33] <Topiary> lemme get you logs
[19:34] <Topiary> http://securepastebin.com/go/retrievePost.action?id=6 303 # password guardian
BushwickBK.com: not sure what I'm looking at
me: gobbledegook
me: they're trolling a Guardian reporter
me: with their "Secret command center"
BushwickBK.com: oh haha
me: [17:41:43] <Topiary> Don: Confirm
[17:41:47] <Don> i dont have much time.
[17:41:52] <Don> will be back later tho.
[17:41:57] <Don> charlie will be back in 5
[17:42:02] <Don> did some hardening and shit
[17:42:14] <Topiary> That's good news, we were just talking about Charlie dun goofing hard over the past few days
[17:42:22] <Topiary> we really put too much into Gary
[17:42:30] <Topiary> a real success though.
[17:42:34] <Don> yeah, it basically had no ddos protection.
[17:42:51] <Avunit> We cant be backtraced anyway.
BushwickBK.com: you know this fucker?
BushwickBK.com: http://twitter.com/abuaardvark
BushwickBK.com: fucking Obama dicklicker
BushwickBK.com: interprets absolutely anything the regime says as pro-democracy
BushwickBK.com: writes for foreign policy mag
me: oic
BushwickBK.com: look at that last tweet
